## FOUNDING RESOLUTION October 12, 1997

Guided as we believe by the Holy Spirit and relying upon the blessings of God, we the company of disciples known as the Center of Hope Community Baptist Church, here and now, covenant to come together as a church of Jesus Christ to preach, teach, live and demonstrate the unconditional love of God, the healing of the brokenhearted, deliverance to those held captive, recovering of sight to the blind, and setting at liberty them that are bruised.

Center of Hope believes that there comes a time when to keep silent or inactive, amounts to betrayal. Moreover, we believe that the time to break the silence is NOW because there is:

- A growing disillusionment among our young people and those on the fringe of society
- A lack of male role models in schools, churches, in the home; and a negative portrayal of the African American male and female in society
- Visible moral and spiritual decadence and hypocrisy at every level of society
- Abnormally high rates of crime, violence and substance abuse in our community
- Lack of equal access to education and financial resources
- Devaluation of human life

*The Center of Hope has decided to move past silence, indifference and indecision to action by calling people back to God, increasing spiritual awareness and promoting personal and social transformation through Jesus Christ.*

## Responsive Reading

**Leader:** Lord, we thank You for the opportunity to serve as leaders in Your work. A work that involves us in something greater than ourselves, a work that transcends the mundane pursuits of this world.

**People:** Lord, we are grateful.

**Leader:** We realize that we are stewards of this privilege of leadership and we must give an account for this stewardship. We understand that You look for faithfulness in stewards, and may that faithfulness be evident in the leadership we give.

**People:** Lord, help us to be faithful supporters.

**Leader:** Let us not use these entrustments of leadership to lord over Your people. Let us not seek to rule, but to serve the church through the positions we are privileged to hold. Let us take up the mantle of servanthood and not merely wear our titles as badges of honor.

**People:** Jesus requires that all be servants.

**Leader:** May we be eager to use the talents and resources that we have received from You, to advance Your kingdom through the leadership opportunity given to us. May we not be guilty of burying our God-given assets in the earth of excuses.

**People:** Let us be eager.

**Leader:** Help us not grow weary in well doing, even when the task of leadership becomes difficult and fails to produce immediate results. Help us to know that we will reap the harvest of faithful leadership, if we faint not.

**People:** Let us never give up.

**Leader:** May we rely on the Holy Spirit both to enable us to lead and empower those we lead to advance Your kingdom. Let us never depend upon worldly means to accomplish Your work—for our work is accomplished “not by power, not by might, but by the Spirit.”

**All:** Let Your Spirit lead us. Amen.
